The Student Member may make and second motions, participate in discussion of issues, receive all materials presented to members of the Board (except for Closed Session), and attend closed sessions involving student expulsions. The Student Member shall, before a vote takes place, have the same rights as a Board Member would have to speak to a moved and seconded motion. The Student Member shall be afforded the privilege to cast an advisory vote, although the vote shall not be included in determining the vote required to carry any measure before the Board. The Student Member shall be entitled to any mileage allowance necessary to attend board meetings to the same extent as publicly elected trustees and to receive compensation of $150/month.

In accordance with state law, the Board shall, by May 15 of each year, review and act on this policy adopting the rules affecting the permissive rights of the non-voting Student Member of the governing board. Such action by the Board will require only two readings before action.
