<sup>\*</sup>This is meant to be a guide only. Please speak with Admissions Counselor for more detailed information about transfer credit. Please note that studio arts credits are evaluated separately.

## How do I begin the application process?

Contact the Admissions Office to request a viewbook and application form. You can also go to our website for information and to apply online. The complete application will include your portfolio of artwork, a one page essay, transcripts (high school and college), and SAT or ACT (for high school seniors only). International students must also submit a TOEFEL score.
