Applicants for admission to the Los Angeles College of Chiropractic must have completed a minimum of 90 semester or 135 quarter units of college work leading to a baccalaureate degree in the arts or sciences with a cumulative G.P.A. of at least 2.50 (2.75 preferential), on a 4.0 scale. These requirements may increase annually culminating to a bachelor degree and G.P.A. of 3.0. Science courses must be taken in sequential order and must include participatory laboratories. All of the following courses must be completed with a grade of "C" or better.

If there are any questions, call 562-902-3309 to speak with an admissions counselor regarding other requirements not shown herein.

The courses listed above must be baccalaureate level courses. If there are any questions regarding academic articulation contact:
