Bill Type	Bill Number	Author	Title	Summary
АВ	548	Salas	Community College Registered Nursing Programs	Deletes the sunset on provisions that require a community college registered nursing program that elects to use a multicultural screening process to evaluate applicants for admission to the program to include specified criteria, and authorizes a program using such a process to use an approved diagnostic assessment tool before, during, and after the screening process.
АВ	977	Salas	Career Technical Education Programs	Requires the Chancellor of the California Community Colleges to convene a group of experts in career technical education, business or industry and to ensure the group includes individuals from the educational and private sector business or industry. Requires the group to research and recommend ways to address the technical, policy, and fiscal issues related to implementing differential funding for credit-bearing high-cost, high-demand courses and programs, that regions deem valuable to their economy.
АВ	1271	Bonta	apportionment	Waives open course provisions in statute or regulations of the Board of Governors of California Community Colleges to be waived for a community college district that provides classes for inmates, including inmates of state correctional facilities. Authorizes the Board to include the units of full-time equivalent students generated in those classes for purposes of apportionments.

AB	1431	Gonzalez	School District and Communty College Elections	Prohibuts an admistrator of a community college or school district from soliciting campaign funds for a Trustee of the school or district.
AB	1433	Gatto	Student Safety	Requires college campuses to report to local law enforcement any report of a violent or hate crime made to the campus law enforcement agency.
АВ	1451	Holden	Concurrent Enrollment in Secondary Education	Authorizes school boards to allow a pupil, upon the recommendation from a community college dean of a career technical education department or other appropriate community college career technical education administrator, and with parental consent, to attend a community college. Authorizes a related partnership agreement with the college and district. Prohibits the college district from received an allowance or apportionment for which the school district has, or will be paid.
SB	837	Steinberg	Schools: Transitional Kindergarten	Creates the Kindergarten Readiness Act of 2014. Requires each school district or LEAs that offers kindergarten to offer transitional kindergarten and requires a child that meets specified minimum age requirements to be admitted. Specifies teacher requirements. Authorizes contracting with local providers, such as community colleges.
SB	845	Correa	Electronic Disbursements of Student Financial Aid	Requires that the Board of Governors, along with the CSU Trustees, other academic institutions and requests the UC Regents to create a model contract for their respective systems regarding contracting out the disbursement of financial aid.

SB	850	Block	Community College Districts: BA Degree Pilot	Authorizes the Chancellor of the California Community Colleges to authorize the establishment of one baccalaureate degree pilot program per campus per district. Provides that the baccalaureate degree pilot program shall consist of a limited number of campuses. Requires a baccalaureate degree pilot program to expire 8 years after the establishment of the program.
SB	897	Steinberg	Compettive Grant Programs:	Requires for any competitive grant program administered by CDE, the Superintendent to consider whether the grant recipient shall be required to include specified social studies standards in the program funded by the grant. For adult education, requires courses related to elementary and secondary basic skills and the courses for immigrants to include basic instruction in American government and civics.
